- Theory completed via distance learning / correspondence.
- Learning material can either be posted / couriered or it can be downloaded from Google Classroom with the option to complete your workbooks online or download workbooks and work off-line.

EXCLUDED

- Learners must have access to a practical site.
- Preferably have or find work in the agricultural space.
- Be able to account for practical hours worked.
- Must have a supervisor sign off on logbooks

ASSESSMENTS

- Competence for the courses is obtained through practical assessment, logbooks, and assignments / workbooks.
- No formal exams.

OPTIONAL 3RD YEAR

Learners who wish to complete a second National Diploma, in Animal or Plant Production, can do so after they've completed their first two years in either animal or plant production. This year will be online (via our online Learner Management System - LMS) or via correspondence, and learners will receive support as with their previous studies. Practicals will still need to be done and logbooks will also need to be completed.

- 3rd year cost is R38 000.00
