FULL TIME TRAINING OPTIONS / WHO IS IT FOR?

Online/Distance:

A distance learner at Agri Skills Transfer is someone who works or lives on a farm and wants a formal agriculture qualification. Over one years, they can use Google Classroom for online lessons and assignments. They also do practical tasks and keep a logbook to show their hands-on experience. This way, they can manage their farm work while learning important farming skills and getting their official certificate. It's a flexible way to gain both knowledge and practical skills needed for a successful career in agriculture.
